Supporting statements

All answers must be written in English. Applicants must not repeat answers. Use examples to support your answers.

1. Leadership experience

Describe a time when you demonstrated leadership. In your answer, please address the following:

- What was the context or challenge you faced?
- What specific actions did you take as a leader?
- What was the outcome, and what did you learn?
- How has this experience shaped your approach to leadership?

You must enter a minimum of 100 words and a maximum of 300 words. (0 words entered)

2. Relationship building and influence

Tell us about a professional relationship you have built and maintained. In your answer, please address:

- How was the relationship formed, and what made it important?
- What did you contribute to this relationship, and what did you gain?
- How have you sustained or developed this relationship over time?
- How will these skills help you build connections within the Chevening community and beyond?

You must enter a minimum of 100 words and a maximum of 300 words. (0 words entered)

3. Course choice and global challenge

Explain your first choice of course and university. Please relate your answer to one of the UK priority areas for Chevening as referenced on the Chevening website here Chevening application criteria | Chevening:

- What is the specific priority area you wish to address?
- How will your chosen course equip you to contribute to addressing this theme?
- Why have you selected your particular university in the UK?
- How do you plan to immediately apply the knowledge or skills you will gain after your studies?

You must enter a minimum of 100 words and a maximum of 300 words. (0 words entered)

4. Career plan and impact

Outline your medium and long-term career plans. Please relate your answer to a key challenge or priority facing your country or region.

- What impact do you intend to make in your home country or region?
- How does your career plan connect with your course of study and the challenge or priority you identified?
- What barriers or obstacles might you face, and how will you overcome them?
- How will being a Chevening Scholar help you achieve your ambitions?

You must enter a minimum of 100 words and a maximum of 300 words. (0 words entered)
